Hello exchange family!

My name is Olivia, and I am very excited for my upcoming student exchange program. For the past few years, I've always wanted to go on an adventure like this, and I am so grateful that I have been given the opportunity to do so. Although I haven't travelled much myself, I've always had a passion and drive for it. I love experiencing and learning more about people's cultures and ways of life, which is why I am very excited to potentially become a part of your family's lifestyle.

A little bit about myself is that I am an avid movie watcher and I love music. I am a big Taylor Swift fan and I'm going to see her in concert this February which I am very excited about. I love cooking with my family, and I also play social basketball for my school, despite being quite short. I love spending time with people and making new friends.

Although I have almost no experience with speaking Swedish, I am slowly trying to learn as much as I can before leaving. Until then, google translate will become a close friend. If I were to join your family for the duration of my exchange, I hope I could bring a new sense of excitement and share a piece of my own culture with you. From this experience I would love to learn more about your culture, lifestyle, and way of living, and I can't wait to hopefully embark on this exciting new adventure with you.

Kind regards, Olivia
