Dear Host Family.

My name is Jaden and I am looking to spend a semester in Sweden. I'm a half swiss half american 15 year old who visits a so called Gymnasium(a more advanced school). Due to my Father being american I am able to speak 3 languages fluently (Swiss German, german and english). I live with both my mother and my father, I also have 2 older sisters, one of them has moved out, all of my relatives but my grandmother live in the US.

I go climbing twice a Week with a few friends of mine, I find a lot of fun in it because each climb is similar to a puzzle where you have to find out what you have to do after each try.

I am a Scouts Leader which has not only taught me to take a lot more responsibility but also to work in a team and coordination. I love being in Nature because it just has something calm to it.

Next to my Hobbies i mostly like to spend my leisure time with friends by going swimming or just going outside.

I chose to do a exchange because I would like to learn more about how the world works and how people live in different cultures. Living in Sweden, attending school there, and becoming part of a new community will give me the chance to learn about Swedish culture and language.

I enjoy connecting with people and learning from them, and I always try to bring a positive attitude wherever I go. I'm also quite independent and responsible for my age. Being a Scouts leader has taught me skills that I think are really helpful when adapting to new environments. I know living in a new country can be a big adjustment, but I see it as an exciting challenge.

Thank you so much for considering me as an exchange student in your home. I look forward to the opportunity to get to know you and experience life in Sweden together.

Kind regards

Jaden
