Dear Host Family,

My name is Leni, and I am very excited to have the opportunity to live with your family during my exchange year. I have always wanted to study abroad because I enjoy learning about new cultures, improving my language skills, and meeting people from different backgrounds. I chose Sweden because I am fascinated by its culture, nature, and way of life, and I feel it will be an amazing place to learn and grow.

I come from a close-knit family. I live with my mother, Yvonne, and I have a brother. We enjoy spending time together, whether it's cooking, going for walks, or celebrating family traditions. My friends and I are very close. Some of my favorite traditions in my country (Bavaria) include "Weißwurstfrühstück" and "Maibaum aufstellen" which I hope to share with you.

I would describe myself as curious, friendly, and open-minded. I enjoy reading, playing sports, listening to music, and trying new hobbies. A typical day for me includes school, homework, spending time with friends, and relaxing with my family. My favorite school subjects are geography and sport, I hope to study and learn skills that will help me in my career.

During my exchange, I hope to share my culture, traditions, and favorite foods with your family. I also look forward to learning about your way of life, improving my language skills, and participating in family activities. I am especially excited to try real Swedish köttbullar and experience other local foods and traditions.

Thank you so much for welcoming me into your home. I am really looking forward to meeting you, learning from your family, and making unforgettable memories together.

Warm regards,

Leni
